Thank you Golden Roze Scans for providing
us with the translations. Support their awesome

I am looking for Korean > English translations as hiring a translator
means I can only release chapters when I can afford to pay for
the translations.

If you can help out, please reach out to me on
[umrscans.weddy.com](https://www.reddit.com/user/umrscans)

Alternatively, your monetary support will all go towards getting
more chapters translated.
